

# Vet Any Deal: The Four Goods

@fmaunlv

Run every opportunity through this before you commit a dollar.

## Good People

Vetted the person and their full background.

## Good Intentions

Confirmed what they actually want from the deal.

## Good Rationale

It pencils out on an actual spreadsheet.

## Good Contracts

Terms are in writing before money moves.

## Kill criteria set

Wrote my walk-away conditions in advance.

## What would need to be true?

Listed it, then checked if it's real.

---

**Miss one Good? It's a no.**

No matter how compelling the deal looks.
