

# The Hard Choice Card

Every fork has a comfortable option, and comfort is the only one with a hidden price. Run your fork through the filter.

**What's your fork right now?**

Two classes

Two internships

Two clubs or roles

Speak up or stay quiet

**The harder option, named** \_\_\_\_\_

**It carries small fear and big growth**

If neither option scares you, go find a third.

☐

**I can survive it (recovery exists)**

Hard, not reckless. Growth needs recovery.

☐

**Hard now or hard later.**

The easy version costs the you that shows up to interviews.

Choose the fork that builds.
