

# The Internship Edge: 3 C's

@fmaunlv

Your GPA gets the interview. These three get the offer. Rate yourself 1 to 5.

## Care

Are you genuinely kind and easy to work with? When skills tie, this wins.

\_\_\_\_\_ /5

## Charisma

Can you build rapport in a room? It's a learnable skill, not a birth trait.

\_\_\_\_\_ /5

## Capability

Can you actually do the job? Learn from a doer, then drill it till you can't miss.

\_\_\_\_\_ /5

## Source check

Are you learning from people who've truly done it, not just influencers who teach?

**Care and charisma get you in. Capability keeps you.**

Everyone in the pile has the degree. Stand out on these.
